

## Colas Namibia

### Environmental Policy

Colas Namibia (Pty) Ltd is a specialist manufacturer and applicator of bituminous binders and slurries for road surfacing.

We are committed to protecting the environment we live in. In order to minimize environmental impacts concerning our activities, products and services, we shall;

- Comply with all applicable legal requirements and industrial requirements to which the company subscribes.
- Meet or exceed all applicable national and local environmental, safety and health standards.
- Provide a workplace free of recognised hazards and maintain healthy working conditions for all employees.
- Closely monitor all facilities for prevention of pollution.
- Participate in recycling to the greatest practical extent to reduce impact on landfills and promote recovery of valuable resources.
- Convey to own personnel and contractors working for or on behalf of Colas our strong environmental, safety and health commitment and requirements.
- Strive to continuously improve our management system and consider improved technology and production changes for improvement
- Set objectives and targets to improve our environmental performance e.g. to minimize consumption of fossil fuels and, therefore, minimize Colas Namibia's carbon footprint.
- Promote environmental awareness.
- The Policy is available to the public on the internet website.
