

Quality Policy Statement

Colas Southern Africa (Pty) Ltd, is a well-established specialist manufacturer and supplier of bituminous binders and slurries in the road surfacing industry.

Our vision is to be the safest and the preferred manufacturer of bituminous road products in Southern Africa.

We are committed to the following objectives:

- To implement, continuously improve and maintain the Quality Management System, in line with the strategic direction of the business.
- To adhere to industry standards and applicable customer statutory, regulatory, and other requirements.
- To define quality objectives in keeping with key themes of continuous improvement, training, internal and external communication, and quality excellence.
- Understanding and adhering to the product needs of all our customers through continuous engagement and feedback.
- Investing in training and development of the workforce, to ensure they have the necessary skills and knowledge to perform their tasks efficiently, safely and adhering to stringent quality standards.
- Ensuring that Colas remains a competitive company, by achieving excellence in on-time delivery and high levels of customer service.
- To build a quality culture that is integrated within all aspects of the business, creating a culture of quality ownership throughout the workforce.
- Ensuring that a high sense of urgency and customer service is displayed at all levels in the organization.
